

Year 6 Creative Challenge Tasks 8

Hello Year 6. I hope you are all safe and well. I am still missing you all so much. Please send me some of your work once you have completed it, as I would love to see it and share some. I am currently speaking to your secondary schools and passing on information about you all. If you have any questions about this please get in touch!

Activity 2 TTRS

Play on Times Table Rock Stars Garage mode at least once per day over the next 2 weeks.

Challenge an adult in your house to have a go- can they beat your time? (I don't think they will)

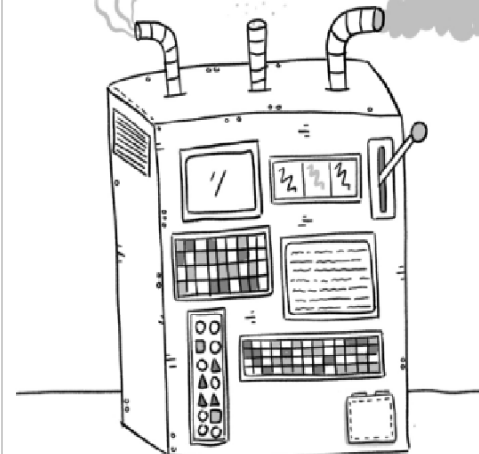

Design your own Rock Star and name them add them to the last one you designed and expand your own band.

Design a times table quiz for someone at home.

Activity 3 - MACHINE CHALLENGE

WHAT DOES THIS MACHINE DO?

Thinking Questions: What could this machine do? Could it transport you somewhere? Could it create something from your imagination?

Tasks: Write or draw a story where this machine plays a vital role.

Activity 4 WHAT CAN YOU SEE?

Literal Questions:

Has it rained within the last 15 minutes?

What did the man just do?

What colour is the bike?

Inference Questions:

Why was he cycling in the rain?

Why would someone take this photo?

Does this man cycle a lot?

What is the most possible reason for this accident?

Activity 5 GEORGE FLOYD

<https://www.bbc.co.uk/newsround/52813673> You may have seen in the news that there are currently a number of protests in America over the killing of George Floyd. The link above explains why people have been protesting.

Task

Read the article and find out what happened to start the protests. Write down your initial thoughts and feelings. Discuss it with an adult at home. Are your opinions the same?

This video clip tells us what life is like for black children in America

<https://www.bbc.co.uk/newsround/32964803>
Watch it and think about your life. How different is it?

Empathy- Think of a time when you had to understand someone who was different from you. How could you have learned more about them and how they felt?

Activity 6 ART FOR ACTION

RISE UP FOR LOVE

SPEAK UP. ORGANIZE. VOTE!

Art for action encourages people to stand up against racism. Our school is a really diverse community and we are lucky that we celebrate and encourage difference.

Task: I would like you to create your own Art For Action poster that encourages people to understand one another, celebrate difference and discourage racism. We would love to see these and share them so please send them to us.

Activity 7 HISTORICAL FIGURES WHO HAVE MADE A DIFFERENCE

This is Rosa Parks. In 1955, she was on a bus in America during a period of racial segregation. The bus quickly filled up and when a white man boarded, the driver told the African American passengers to give up their seats for him. Whilst the other black passengers obeyed, Rosa did not. The result? Rosa was arrested by the police and fined for breaking segregation laws! But Rosa refused to pay, and argued that it was the **law that was wrong**, not her behaviour.

Use this link to find out more about Rosa Parks and her legacy.

<https://www.natgeokids.com/nz/discover/history/general-history/rosa-parks/>

Can you create a poster/fact file about her?

Go to the Back, Rosa Parks

Go to the back of the bus, Rosa Parks
Go to the back and stay
"No, I won't, I think that's unfair
And I'm just too tired today"

But everyone knows the rules, Rosa Parks
Everyone knows if you're black
You can't eat at white restaurants
And on busses, you sit in the back

So now it's time to move, Rosa Parks
"No, I'm not moving at all
I've got a voice and I'm going to use it
And thousands will hear the call"

"We're coming to sit with you, Rosa Parks"
People black and white did say
"We're coming to change America
And bring equality here to stay!"

Activity 8 POETRY

<https://www.woojr.com/kids-poems-for-black-history-month/rosa-parks-kids-poem/>

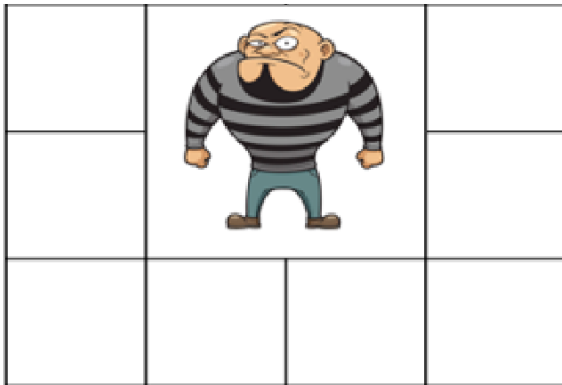

This poem was written about the day when Rosa Parks wouldn't give her seat up. Can you write your own version?

Activity 10 PRISON PUZZLE

There are seventy-eight prisoners in a square cell block of twelve cells. There is one prisoner in one of the cells, two in another cell, three in another, four in another and so on up to twelve prisoners in one of the cells.

The clever prison warden made it easy to check if the prisoners were all there by arranging them so there were twenty-five along each wall of the prison block. How did he do it?

REMEMBER TO USE BODMAS!

B	Brackets	$10 \times (4 + 2) = 10 \times 6 = 60$
O	Order	$5 + 2^2 = 5 + 4 = 9$
D	Division	$10 + 6 \div 2 = 10 + 3 = 13$
M	Multiplication	$10 - 4 \times 2 = 10 - 8 = 2$
A	Addition	$10 \times 4 + 7 = 40 + 7 = 47$
S	Subtraction	$10 \div 2 - 3 = 5 - 3 = 2$

Design your own Solvemoji puzzle for someone at home to complete.

Visit the Solvemoji website for more ideas.

Activity 12 MCDONALDS IS BACK

McDonalds is back Design your dream meal from McDonalds. It can be based on something that already exists or it could be a brand new invention all of your own! Sketch and label all parts of your meal and remember to give it a name - perhaps the Miss Donnelly Meal?

Would you like Fries with that? Create an advertising poster for your new meal! Think of a catchy slogan - for example - The New Miss Donnelly Meal - The Cleverest Meal There Is! Make your advertising poster attractive and remember you need to persuade people to buy your new product!
